Teufel announces the launch iTeufel Radio - a portable radio, alarm clock and iPod dock rolled into one

Berlin, Germany 1st October, 2009: Teufel, Europe's leading direct seller of loudspeaker systems has announced the launch of the iTeufel Radio – an integrated radio, alarm clock and iPod docking station. The iTeufel Radio is an ideal solution to grumpy mornings and annoying ringtone alarms, letting you wake up to your favourite radio station, DJ or iTunes song. Whether sitting in the lounge room, bedroom, kitchen or bathroom, the iTeufel Radio has plenty of practical features, easy operation and fantastic sound - an excellent choice!

The iTeufel Radio has been dressed with a classic design reminiscent of the retro radios from years gone by. It includes an AM/FM radio with Teufel's signature sound quality and simple interface, making it the ideal choice for all the family.

The iTeufel Radio clock has a handy alarm feature as well as an integrated iPod dock. The iPod charges while docked and the alarm can be set with a tone or station chosen by you – ensuring a pleasant awakening. The iTeufel Radio comes with an all-command remote control that enables you to control functions and sound from the comfort of your sofa or bed.

All Teufel products including the iTeufel Radio are backed by an impressive 12 year warranty on loudspeakers and 2 years warranty on amplifiers and electrical components. This along with Teufel's eight-week-return policy makes the iTeufel Radio the perfect choice.

About Teufel

Teufel is Europe's leading direct seller of loudspeaker systems. The company was founded in Berlin in 1979 and quickly became a high-flyer amongst German specialist loudspeaker manufacturers. Over the years, Teufel has developed and manufactured a large number of high-quality audio products.

In addition to home cinema loudspeakers, Teufel's portfolio also includes multimedia and PC systems as well as various products for iPods under the iTeufel name. In 1996, Teufel was the first German company to launch loudspeakers with a THX licence – an extremely exacting standard for the playback quality of home cinema systems. Today, Teufel offers the largest range of THX loudspeakers in the world. Teufel products are available exclusively via direct sales – guaranteeing you high quality at a fair price.
