

Music on, move on

Teufel Move

Clever details ensuring the best possible wearing comfort and typically Teufel (i.e. powerful) sound makes Teufel's Move ideal for active lifestyles. This new version includes a feature many of our fans requested: The ability to regulate the volume via in-line remote. The Move's in-line remote now includes access to all essential features including pause, play, skipping tracks and volume regulation with Android smartphones and tablets.

Highlights:

- In-ear headphones with integrated remote control and microphone
- In-line remote for play, pause, skip & regulating volume for Android & Windows
- Acoustically optimized enclosure & neodymium drivers for clear music playback
- Free floating system minimizes noises resulting from the cable and body contact
- Anti-overpressure system reduces pressure in the ear canal

Included components

- 1 x Teufel Move
- 1 x Silicone Earpiece Shapes (3 pair)
- 1 x gift box for Teufel Move
